Welcome

Message from the Principal & CEO

Our 2025 part-time prospectus offers flexible learning opportunities for those looking to enhance their skills, explore new careers, or develop passions in a supportive environment.

Whether refining expertise in trades and technical skills like construction, masonry, carpentry, plumbing, and electrical installation or pursuing seamanship and maritime careers, MCAST provides tailored courses to meet your ambitions.

We take pride in preserving traditions and ensuring heritage trades evolve with modern industry needs. Our creative and well-being courses in arts, design, and media encourage innovation and resilience.

For those drawn to commerce, our retail and fashion training imparts practical skills in merchandising, customer service, and fashion fundamentals. MCAST is a one-stop education hub with industry ties, ensuring career-ready graduates. The diversity in courses across all sectors reflects the needs of the world of work – career world and the demand of individuals who want to reach their full potential.

The part-time offer is particularly relevant to adult learners who want to improve their skills or explore new learning experiences. Wherever you are in your journey and whatever your aspirations, our part-time courses offer flexibility and practical experience to help you succeed.

Your future starts here!

Stephen Vella
Principal & CEO
